## Hyundai Motor India Foundation

cordially invites you for

# Art for hope

Showcasing works of grantees from the 2<sup>nd</sup> edition, centered around social, environmental and community centric subjects.

In 2021, the 25th year of Hyundai in India, HMIL launched its very first art CSR program – Art for hope to support Art and Culture. This programme provided grants to support 25 talented artists across India, practising varied genres of art. With the support of the Art for hope grant, the artists completed their projects, foregrounding communities and the transformative power of art. Their artwork was presented for public viewing at an art exhibition at Bikaner House, New Delhi in March 2022.

This is the 2nd edition of the programme where 25 artists and 10 art collectives have been selected to be supported with grants to nurture their practice. The grantees, representing the Visual, Digital, Performance, Folk and Traditional Art & Craft sectors, were selected from over 200 entries received from 87 cities and 25 states across India.

The exhibition at The Gallery @ InKo Centre will showcase the work of 21 grantees and will be complemented with workshops and film screenings.

To register for workshop and screening please contact InKo Centre
