The film, *Breathless*, is about a savage man named Sang-hoon. He meets a young schoolgirl, Yeon-hee, who is as fearless as himself and the two become good friends. As Sang-hoon teaches his thug-gish trade to a young man without realising that this would-be gangster is in fact Yeon-hee's brother, the legacy of abuse is handed on.

### *Film Screening-Breathless*

'Breathless' takes you to the reckless world of Sang-hoon, both a product and a perpetuator of mindless savagery. This 2008 film directed by Yang Ik-Joo is a poignant tale of pain, friendships and awakenings. Entry is free and all are welcome.
